

Manifesto - WnCC Manager 2018 - 2019

I, **Sarthak Khandelwal**, intend to apply for the post of **Manager, Web and Coding Club**. If appointed, I aspire to do the following :-

Vision:

As the manager of the club, wish to maintain the culture of the club which is to bring together coding enthusiasts as a community. Moreover, generate and execute plans to boost their passion and skills.

New Initiatives:

- 1) GSoC Incubation Cell: Have back to back Git and Github sessions over a weekend. Make ex-WnCC GSoCers approachable for interested candidates to provide them with proper guidance.
- 2) Talks: Arrange more talks by alumni, professors and professionals and give them a token of thanks for their time.
- 3) Hackathons: Collaborate with sponsor companies to conduct at least one hackathon per semester.
- 4) SoC: Segregate projects into different categories and assign experienced mentor to each category for maximum learning opportunity. Hold a session to launch SoC.
- 5) Sessions: Organise talks and a comprehensive set of sessions on non-dev related topics like Machine Learning and Blockchain.
- 6) Circles: Circles are google groups which serves as a forum of discussion on a particular topic. Aim at keeping 2-3 active circles on current topics.
- 7) Club Trip: Organise a club trip on the first weekend of even semester to increase club interaction and bonding.
- 8) IITB Dev: Start a developer's group to develop and maintain softwares which serve the institute. Recruit and train people to work on dedicated projects with senior mentors.

Follow Ups:

Assets:

- 1) Portals: Do regular publicity through facebook as the number of internships on portals increase. Have a blog on the website of people who worked for a startup through the portals and showcase it. Improve upon the features of the portal.
- 2) Wiki: Maintain the wiki and strive for a weekly article.
- 3) Youtube: Keep the youtube channel active with informal and formal videos.
- 4) WnCC Website: Maintain the website, keep it updated with events, have a blog section.
- 5) Newsletter: Ensure a weekly newsletter is sent, distribute the work among more people from tty11.

Sessions:

- 1) Reflections: Assign the task of getting a reflection weekly done by two members of tty11.
- 2) WnCCC: Host informal sessions in the hostel mess to increase club interaction. Provide general mentorship to freshmen and invite all members of tty0 to attend it.
